

SERVANTS AT CITYVIEW CHURCH

Can you see yourself in one of these empty spots?

MEDIA TEAM

Set up and run sound, live-stream, and/or presentation software on Sunday mornings. We really need volunteers for our 11am service.

SMALL GROUP LEADERS

Help us create places for people to build relationships, and grow in their life. Each small group has 1-3 leaders.

WORSHIP TEAM

Offer your musical gifts on Sunday morning, and help our community raise our voices in worship.

BUILDING TEAM

Good with tools? Landscaping? Love to organize or clean? We especially need volunteers for special projects, like organizing storage or a landscaping day.

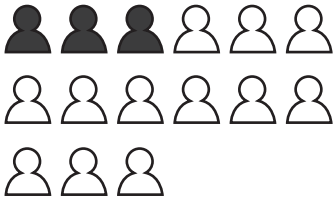

COFFEE & TEA

Offer our community a much-needed caffeine boost—everyone will love you for it, we promise.

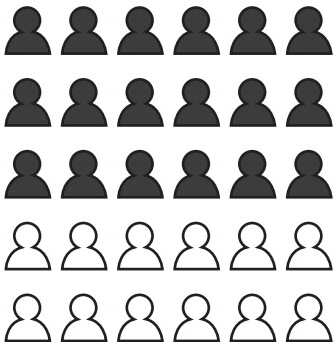

GREETERS

Help create a culture of hospitality. We want to be known for being friendly and welcoming, and that's in part because of this team.

CITY FRIENDS^{*}

Help with crafts and lessons at the Friendship Class and at special events throughout the year. We especially need people interested in helping with our special events.

CITY KIDS^{*}

Teach and care for the younger members of our church family; birth to 5th grade on Sunday mornings. Is there anything more meaningful and important than sharing our faith with the next generation?

^{*}Requires "Safe Sanctuary" training and background checks.
